Footfall Life Long⁹ is recommended for stretch fit installation of carpets in residential areas for luxury use, it supports, protects and prolongs the life of the carpet.

Footfall Life Long⁹ is manufactured from 100% post-consumer recycled foam that is granulated into small chip sizes to achieve a more consistent and uniform feel and performance.

Footfall Life Long⁹ has a stitched non-bleached paper top layer and a spun bond non-woven bottom layer to maximise the compromise between ease of installation and post use recycling. Footfall Life Long⁹ is fully recyclable at end of life.

Concern for the future of our planet drives our business. Every Footfall product is made from recycled materials and is itself recyclable.
